#### § 303.123 Prohibition against commingling.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1478(b)(5)(A))

In fact, a State may find it essential to set out a funding plan that incorporates, and accounts for, all sources of funds that can be targeted on a given activity or function related to the State's early intervention program.

Thus, the assurance in this section is satisfied by the use of an accounting system that includes an "audit trail" of the expenditure of funds awarded under this part. Separate bank accounts are not required.

#### § 303.124 Prohibition against supplanting.

(a) The statement must include an assurance satisfactory to the Secretary that Federal funds made available under this part will be used to supplement and increase the level of State and local funds expended for children eligible under this part and their families and in no case to supplant those State and local funds.

(b) To meet the requirement in paragraph (a) of this section, the total amount of State and local funds budgeted for expenditures in the current fiscal year for early intervention services for children eligible under this part and their families must be at least equal to the total amount of State and local funds actually expended for early intervention services for these children and
